INTRODUCING OUR GREEN SUPERFOOD

Our innovative freeze-dried green superfood is a game changer in the health food industry. Unlike other products that are filled with artificial or preservative ingredients, our superfood is made with 100% natural ingredients, carefully selected for their nutritional value and quality.

In addition to serving as a delicious nutrient shot, thanks to the freeze-dried process it has a long shelf life, making it a convenient option for those who want to maintain a healthy lifestyle without sacrificing flavor or freshness.

Our product is the perfect complement to your daily routine, whether at the office, at school, at home, at the gym, on a business trip or even on vacation, you can take it with you everywhere

100% NATURAL INGREDIENTS

Our freeze-dried green superfood is made with 100% natural ingredients, ensuring you get the best nutrition possible without harmful additives. We believe that the use of natural ingredients is not only better for your health, but also for the environment, and the economy of hundreds of Mexicans as they are products originating from our fields.

Unlike other products on the market, we do not use artificial colors, sweeteners, flavors or preservatives. We source our ingredients from trusted suppliers who share our commitment to sustainability and ethical practices. This means you can feel good about what you're consuming while supporting a company that cares about the planet.

FULL OF NUTRIENTS

Our freeze-dried green superfood is not only delicious, but also packed with essential nutrients that are vital to maintaining good health. With a blend of fiber, vitamins, minerals, and antioxidants, our product is a nutritional powerhouse that can help boost your immune system and improve your overall well-being.

One of the key nutrients found in our green ingredients is chlorophyll, which has been shown to have anti-inflammatory properties and can help detoxify the body. Additionally, it contains high levels of vitamin C, which is important for supporting the immune system and promoting healthy skin. Other nutrients such as iron, calcium and magnesium are also present in our product, making it an excellent option for people looking to supplement their diet with essential minerals.

VERSATILE AND CONVENIENT

In addition to being a nutritious proposal, our green superfood is incredibly versatile. To prepare it, just add 20g of powdered product to 240 mL of cold water and shake well, your green superfood is ready!

Whether you're a fitness enthusiast looking to add more vegetables to your diet or a busy parent trying to add a little extra nutrition to your kids, our product is the perfect solution. With its easy-to-use packaging and long shelf life, you can enjoy the benefits of our superfood anytime, anywhere.
